The culture of praise and thanksgiving

All praises are for Allah, who sent for us His trustworthy Messenger Muhammad. He sent him with guidance, and a clear manifest Truth. So He was a mercy unto the world, and a glad tiding to all the believers. I testify that there is nothing worthy of worship except Allah, the Uniquely One, who has no partners. And I testify that our Sayyid and Prophet Muhammad is the slave of Allah and His Messenger. The best of people in character, and the greatest of creation. So O Allah: Increase Muhammad in honor, may peace and blessings be upon him. O Allah send Your peace and blessings upon our Sayyid, our Messenger, Muhammad. And upon his family and companions, all of them. And upon whomever follows their way of guidance till the Last Day.

To continue: I advise you slaves of Allah and myself with the enjoining of Taqwa.

O you who have believed, fear Allah and believe in His Messenger.

فاتقوا الله لعلكم تشكرون

)Then fear Allah ; perhaps you will be grateful(

Welcome to this sermon after a long break due to the epidemic

May Allah removes it from all the world..

The subject of this sermon is

The culture of praise and thanksgiving

Let's start with this great name from the names of Allah Almighty.

The Shakoor of the names of Allah, He is "the One Who rewards trivial pious deeds with many grades" .

Thanksgiving is a great worship, it is by the heart and tongue, and behavior and work. It is one of the attributes of the prophets and wise men, and the righteous and the wise, and Allah Almighty praise those who were grateful to him, he says about Prophet Noah, peace be upon him: (Indeed, he was a grateful servant)

And Allah, may He be glorified , said to the Prophet Moses, peace be upon him: (So take what I have given to you, and be among the thankful)

()And Allah, may He be glorified said to our Master, Muhammad :

)worship only Allah and be among the grateful .(

O Muslims: : If the culture of thankfulness takes root in the community; it will give fruits of love, cohesion, appreciation and compassion, and it will lead to an increase in the graces of God Almighty

the Almighty said: (And [remember] when your Lord proclaimed, 'If you are grateful, I will surely increase you [in favor];).

How much is good to thank Allah for what he has given us from the grace of faith, and blessed us with Friday prayer and the congregation prayers in the mosques the houses of al Rahman, and we thank Allah for what He has lavished his blessings on us, both outwardly and inwardly.

and we thank our parents; As Allah Almighty said: (To thank me and your parents).

We thank the people, and we thank the government and its institutions for what they are doing in serving the people.

O, Allah, make us know your blessings by continuing them, and make us thank you for your gifts, (help us in remembering You, in giving You thanks, and worshipping You well..)

Oh God, remove this epidemic from us and the whole world

I say this and seek Allah's forgiveness for me and for You.

----- Khutbah ٢ ---

All praises are for Allah, Lord of all the Worlds. Who has sent to us the Seal of the Prophets. And made him honored in both the first and the last. As well as honored in the greatest of assemblies, until the Last Day. I bear witness that there is nothing worthy of worship except Allah, the Uniquely One, having no competing partner in that One-ness. I bear witness that our Sayyid, Muhammad, is the perfect embodiment of servanthood towards Allah and is His Messenger. O Allah: We ask you to bestow Your peace and blessings upon our Prophet, Sayyiduna Muhammad and upon his family and all of his companions. And whomsoever follows them and seeks to emulate them in the best of ways till the Last Day. I counsel you, O servants of Allah, and myself, to adhere to the taqwa of Allah (glorified be He)

O Allah: We ask you to bestow Your peace and blessings upon our Prophet, Sayyiduna Muhammad and upon his family and all of his companions. And whomsoever follows them and seeks to emulate them in the best of ways till the Last Day. I counsel you, O servants of Allah, and myself, to adhere to the taqwa of Allah (glorified be He)

And with this, let us send our peace and blessings upon t
